4. Cut along dotted black line.

Scare Up
Used Glasses
ON
Sight Night

www.SightNight.org

Sight Night is a community service project sponsored by OneSight®. During trick-or-treat, Sight Night volunteers will be in your neighborhood to collect used prescription glasses and non-prescription sunglasses. The glasses you donate will be cleaned and recycled for use on OneSight Global Clinics where they are hand-delivered to those in need.

Person or group collecting:

Date to have your used glasses ready:

If we miss you on Sight Night, please drop off used glasses at any of these optical stores: LensCrafters, Pearle Vision, Sears Optical, Target Optical and Sunglass Hut. These stores accept used glasses throughout the year. For more information on Sight Night, please visit www.SightNight.org.

Thanks for "scaring up" your used glasses and sunglasses for Sight Night!
